

MOORESTOWN HOME AND SCHOOL ASSOCIATION

WEBSITE BANNER ART CONTEST

Home and School is running a contest for our elementary school children. Students are asked to create a piece of art that they feel best represents what school means to them. We will collect submissions at the school up until January 24th. A panel of judges will select 4 from each school (12 total) to be voted through our website, www.moorestownhomeandschool.com.

The winner will be announced February 13th and her or his artwork will be used as our top banner on our website for the remainder of the school year!

Please create your artwork in the rectangle below. Try to fill the entire space.
Think about what makes school so special when creating your masterpiece.
