

Guadalupe Family Services (GFS)

is a social service agency in North Camden that offers charitable assistance to those in need, serving 1,000 persons annually by way of counseling and dedicated youth programs.

“Diaper Days” Program is being held more frequently during the pandemic. GFS distributes free diapers and wipes to community families in need!

“Founded in 1995 with the belief that the complex needs of urban family life in North Camden must be better served, GFS offers clinical counseling and direct social services focusing on families in distress. These services are offered with particular sensitivity to the cultural needs of the community. GFS directly serves one thousand persons annually and networks with leading social services agencies, community and cultural organizations.” **Feel free to reach out with any questions: erinecangelosi@gmail.com**
